

## Safeguarding statement

All adults working with or on behalf of children at Bannerman Road Children's Centre are committed to safeguard and promote the welfare of children and families.

We recognise that all adults, including temporary staff and volunteers have a full and active part to play in protecting children and families from harm, and that the child's welfare is our paramount concern.

We aim to;

- Provide a safe environment for children and families to learn in.
- To support children's and adults' development in ways that will foster a sense of self-esteem and independence
