Beech room.....

We have been focussing on different ways of mark making as our contribution to the Bristol Boys Project.

At Forest School we have been looking for signs of Spring.

Home learning.....

"Every child is an artist" — Pablo Picasso

Create marks in different ways with your children. Using leaves as paint brushes, chalk on the pavement or water and brushes on an outside wall. We'd love to see examples of the art you have made together. Take a photo and upload it to Tapestry.

Some quick notes.....

Forest school

This term we have been looking for signs of Spring, watching the trees grow greener and flowers begin to blossom. We have been focussing on listening and attention, hearing the wind in the trees and the birds singing.

Celebrations

We have been celebrating lots of different things this term including Easter, Mothers' Day and the Spring Equinox. We also had great fun showing off our dance moves to celebrate World Dance Day.

Tapestry

I hope you have been able to access your child's Tapestry account without any issues, if you would like some help with this please see Kitty or Juanita. We are keen to share your child's learning and interests, please keep adding pictures and observations of your child's learning from home so their keyworker can incorporate it into Beech room.

We would like to inform you that we are following a payment procedure policy and will be sending a standard letter out if a payment is missed.
